

School Fuel San Marcos

1331 TX-123
San Marcos, TX 78666

Dear Friends of School Fuel,

We hope this message finds you well! At **School Fuel**, we're on a mission to fight student hunger right here in the San Marcos Consolidated Independent School District. With **78% of students qualifying for the Federal Free/Reduced Lunch Program**, the need for support is real—and we can't do it without you.

Imagine heading home on a Friday with little or no food to get you through the weekend. For many kids in our community, this is their reality. It's not just about hunger; it's about missing out on the energy and focus they need to grow, learn, and succeed in school.

Last year more than 1,000 volunteers packed over 49,000 sacks of food for over 1,400 students in our community across 10 different campuses. School Fuel's goal is to raise \$280,000 to provide for hungry students this coming school year! Will you help School Fuel support these children and give them an opportunity to succeed at school and overcome the cycle of poverty?

School Fuel's annual Fill the Sack 5K Fun Run is coming **March 7, 2026**, at Country Estates Pool. This annual event is one of the ways this all-volunteer organization raises funds. The race is coordinated and timed by Athlete Guild, so the Run is listed on their website. Last year's race was a huge success! As a sponsor, you not only get the satisfaction of knowing your contribution will be used only to purchase food for hungry children, but you also get community recognition for supporting education in San Marcos.

As a sponsor, you will:

- Directly support the purchase of food for students in need.
- Receive community recognition for your commitment to education and well-being in San Marcos.
- Be acknowledged on bright event t-shirts, at the School Fuel facility, on our website, and in other prominent locations.

The attached flyer outlines sponsorship levels and their unique benefits. The deadline for sponsorship commitments is February 21, 2026. Your sponsorship will provide 'fuel' to students in San Marcos who need an opportunity to overcome the effects of hunger so they can succeed in school and overcome the cycle of poverty. To register as a sponsor or for more information, please contact Savannah Gonzalez, 5K Director, at Savannah.Gonzalez@pinnstrat.com. Thank you for your participation in this year's event!

Sincerely grateful,

Michael Pigg, President
Diane Breedlove, Treasurer
